CoC Scholarships for Master Students

Value of Scholarships:

- There are 3 categories of scholarships.
    - The first category supports 50% tuition fees for 4 semesters.
    - The second category covers 100% tuition fees for 4 semesters.
    - The third category covers 100% tuition fees for 4 semesters plus a monthly allowance of 5,000 Baht for 2 years.

Requirements:

- Eligibility is restricted to new graduate students expecting to begin their studies at the College of Computing in Plan A1 or Plan A2.
- Complete the bachelor's degree with at least 2.75/4.0 overall GPA.

Terms and Conditions:

- The scholar must participate in activities or tasks arranged by their advisors, the College of Computing, and the university.
- The scholar must report on the progress of their studies every six months. Without such action, the scholarship will be suspended.
- To successfully complete the scholarship program, the scholar must accomplish research works as follows:

    - 50% Tuition Fee Scholarship

      The scholar must have at least one original academic manuscript, which is part of their studies, **submitted** for publication in a Scopus-indexed academic journal and at least one original academic manuscript that has been **accepted** for publication in a Scopus-indexed academic conference.

    - 100% Tuition Fee Scholarship

      The scholar must have at least one academic paper either **accepted** for publication or **published** in a Scopus-indexed academic journal.

    - 100% Tuition Fee and Monthly Living Expenses.

      The scholar must have at least one academic paper **accepted** for publication or **published** in a journal indexed in the Scopus Q1-indexed **or** at least two academic papers **accepted** for publication or **published** in Scopus Q3-indexed or higher academic journals.

- The scholar must pass the proposal examination within the first 2 semesters.
- The scholar must maintain good academic standing.
- The scholarship ceases if the scholar fails to meet the above terms. The scholar will then be required to pay back any scholarship or funding received in full amount.

Selection Method:

- A selection committee will consider the qualifications of candidates.
- The committee's decision will be final without any right to appeal.

Required Documents:

1. Graduate Scholarship Application Form
2. A copy of the official bachelor's degree transcript
3. Evidence if applicants receive any other scholarships (if any)
4. One to two pages of a statement of purpose
5. A copy of one of the following certificates of English proficiency: TOEFL, IELTS, CU-TEP, TU-GET, PSU-TEP, TOEIC.
6. Letter of Acceptance (LoA)
7. A brief o research proposal in A4 not over 10 pages (if any)
8. Research paper or evidence of Computing-related work experience (if any)
9. Other documents that may be requested by the selection committee (if any)

Remark:

In addition to the requirements and terms listed above, the consideration will be based on the selection committee.
